Provide Consent or Be Ineligible for Federal Student Aid

Summary

Your consent is needed to retrieve and disclose federal tax information (FTI). With your consent, we can obtain tax return information automatically from the IRS to help you complete the FAFSA® form. If you don't provide consent, you will not be eligible for federal student aid, including grants and loans. You must provide consent even if you didn't file a U.S. federal tax return or any tax return at all.

→ Get your 2022 tax return information for the 2024-25 FAFSA form.

→ FTI is used to determine your eligibility for federal student aid.

→ Tax return information is required to complete the FAFSA form.

Under penalty of law, I certify that I am the individual associated with the FSA ID log-in credentials used to access the FAFSA form to provide the necessary approval and consent for the disclosure and use of my federal tax information (FTI) from the U.S. Department of the Treasury. By accepting below, I approve and consent to:

- The U.S. Department of Education to disclose my Social Security number, last name, and date of birth to the U.S. Department of the Treasury in order to obtain my FTI only for the purpose of determining the eligibility for, and the amount of, federal student aid for myself or of others for which I participated and shared my FTI by a program authorized under subpart 1 of Part A, Part C or Part D of Title IV of the *Higher Education Act of 1965*, as amended.
- The use of my FTI by U.S. Department of Education officials and contractors (as defined in 26 U.S.C. § 61030(k)(3)), only for the purpose of determining the eligibility for, and amount of, federal student aid for myself or of others for which I participated and shared my FTI by a program authorized under Title IV of the *Higher Education Act of 1965*, as amended.
- The U.S. Department of Education to redisclose my FTI received from the U.S. Department of the Treasury pursuant to 26 U.S.C. 61030(k)(3)(D)(ii), which includes:
 - institutions of higher education participating in the federal student aid programs authorized under the *Higher Education Act of 1965*, as amended;
 - state higher education agencies; and
 - scholarship organizations designated prior to Dec. 19, 2019, by the Secretary of Education.
- The use of my FTI for the application, award, and administration of student aid awarded by the federal government, institutions of higher education, state higher education agencies, and designated scholarship organizations.
- The redisclosure of my FTI to any future 2024-25 FAFSA forms for which I elect to participate (e.g., if I elect to participate in my child's FAFSA form or to complete my own FAFSA form after participating in another FAFSA form). My FTI will be redisclosed to these additional applications upon my affirmation to participate. I understand that I may decline an invitation to participate, which will prevent the transfer of my FTI to that FAFSA form.

Student Provides Consent

By approving and consenting, I further understand:

- My approval and consent are a condition of my eligibility or of others for which I have participated and shared my FTI for federal student aid, even if I did not file a U.S. federal tax return.
- FTI received from the U.S. Department of Treasury will supersede any manually entered financial or income information on the FAFSA form.
- The U.S. Department of Education may request updated tax information from the U.S. Department of Treasury once consent is provided. If FTI has changed (e.g., amended tax return filed with revised FTI), then eligibility for and amounts of federal, state, and institutional financial aid may change.
- If I do not approve and consent to the disclosure of my FTI, the U.S. Department of Education will be unable to calculate my eligibility for federal student aid or the eligibility of others who have requested that I share my FTI on their FAFSA form.
- I am permitted to revoke my approval and consent for the disclosure and use of my FTI, as outlined herein, at StudentAid.gov. However, by revoking such approval and consent, neither I nor other applicants for which I participated and shared my FTI will be eligible for future federal student aid and/ or other financial aid program that used FTI to make determinations for eligibility of aid awarded by an institution of higher education, state higher education agency, or other designated scholarship organization.

Student's Parent Provides Consent

Federal Student Aid

FAFSA[®]
FORM
2024-25 Parent of Raya Tran

Provide Consent or the Student Will Be Ineligible for Federal Student Aid

Summary

Your consent is needed to retrieve and disclose federal tax information (FTI). With your consent, we can obtain tax return information automatically from the IRS to help you complete your section of the student's FAFSA[®] form. If you don't provide consent, the student will not be eligible for federal student aid, including grants and loans. You must provide consent even if you didn't file a U.S. federal tax return or any tax return at all.

→ Get your 2022 tax return information for the 2024-25 FAFSA form.

→ Tax return information is required to complete the FAFSA form.

→ FTI is used to determine the student's eligibility for federal student aid.

Under penalty of law, I certify that I am the individual associated with the FSA ID log-in credentials used to access the FAFSA form to provide the necessary approval and consent for the disclosure and use of my federal tax information (FTI) from the U.S. Department of the Treasury. By accepting below, I approve and consent to:

- The U.S. Department of Education to disclose my Social Security number, last name, and date of birth to the U.S. Department of the Treasury in order to obtain my FTI only for the purpose of determining the eligibility for, and the amount of, federal student aid for myself or of others for which I participated and shared my FTI by a program authorized under subpart 1 of Part A, Part C, or Part D of Title IV of the *Higher Education Act of 1965*, as amended.
- The use of my FTI by U.S. Department of Education officials and contractors (as defined in 26 U.S.C. § 6103(i)(13)), only for the purpose of determining the eligibility for, and amount of, federal student aid for myself or of others for which I participated and shared my FTI by a program authorized under Title IV of the *Higher Education Act of 1965*, as amended.
- The U.S. Department of Education to redisclose my FTI received from the U.S. Department of the Treasury, pursuant to 26 U.S.C. 6103(i)(13)(D)(iii), which includes:
 - institutions of higher education participating in the federal student aid programs authorized under the *Higher Education Act of 1965*, as amended;
 - state higher education agencies; and
 - scholarship organizations designated prior to Dec. 19, 2019, by the Secretary of Education.
- The use of my FTI for the application, award, and administration of student aid awarded by the federal government, institutions of higher education, state higher education agencies, and designated scholarship organizations.
- The redisclosure of my FTI to any future 2024-25 FAFSA forms for which I elect to participate (e.g., if I elect to participate in my child's FAFSA form or to complete my own FAFSA form after participating in another FAFSA form). My FTI will be redisclosed to these additional applications upon my affirmation to participate. I understand that I may decline an invitation to participate, which will prevent the transfer of my FTI to that FAFSA form.

Student's Parent Provides Consent

By approving and consenting, I further understand:

- My approval and consent are a condition of my eligibility or of others for which I have participated and shared my FTI for federal student aid, even if I did not file a U.S. federal tax return.
- FTI received from the U.S. Department of Treasury will supersede any manually entered financial or income information on the FAFSA form.
- The U.S. Department of Education may request updated tax information from the U.S. Department of Treasury once consent is provided. If FTI has changed (e.g., amended tax return filed with revised FTI), then eligibility for and amounts of federal, state, and institutional financial aid may change
- If I do not approve and consent to the disclosure of my FTI, the U.S. Department of Education will be unable to calculate my eligibility for federal student aid or the eligibility of others who have requested that I share my FTI on their FAFSA form.
- I am permitted to revoke my approval and consent for the disclosure and use of my FTI, as outlined herein, at StudentAid.gov. However, by revoking such approval and consent, neither I nor other applicants for which I participated and shared my FTI will be eligible for future federal student aid and/or other financial aid program that used FTI to make determinations for eligibility of aid awarded by an institution of higher education, state higher education agency, or other designated scholarship organization.

Frequently Asked Questions

- Who should provide consent?
- If I'm married and didn't file a joint tax return with my current spouse, does my spouse have to provide consent for you to access their tax information?

- What happens if I decline consent?

Select "Approve" to consent to using your tax information to determine the student's eligibility for federal student aid. If you select "Decline," the student will not be eligible for federal student aid.

Summary

This page confirms that you understand the terms and conditions of the FAFSA® form and filled out the form accurately to the best of your ability.

The FAFSA form is a legal document you will electronically sign with your account username and password (FSA ID). Because your FSA ID is associated with your personal information, do not share it with anyone.

By signing the student's application electronically using your account username and password, YOU, THE PARENT, certify that all of the information you provided is true and complete to the best of your knowledge and you agree, if asked, to provide

- information that will verify the accuracy of your completed form, and
- U.S. or foreign income tax forms that you filed or are required to file.

You also certify that you understand that the Secretary of Education has the authority to verify information reported on your application.

If you sign this application or any document related to the federal student aid programs electronically using a username and password, and/or any other credential, you certify that you are the person identified by the username and password, and/or any other credential and have not disclosed that username and password, and/or any other credential to anyone else. If you purposefully give false or misleading information, including applying as an independent student without meeting the unusual circumstances required to qualify for such a status, you may be subject to criminal penalties under 20 U.S.C. 1097, which may include a fine up to \$20,000, imprisonment, or both.

Sign for yourself and submit the application for Raya Tran (Student).

I, Alcina Tran, agree to the terms outlined above.

What Happens Next

Email sent

Confirm that the student received an email version of this page.

The Student Will Receive Notification of Processing

In one to three days, the student will receive a notification by email that their FAFSA form was processed and sent to the student's schools.

The Student Will Receive School Communications

We use the information collected on the student's FAFSA form to calculate their Student Aid Index (SAI). The SAI lets schools determine how much aid the student is eligible to receive. Schools will reach out to the student if they need more information. They will also contact the student with financial aid offers. Once received, the student can contact their financial aid offices directly to ask questions about their student aid packages.
