   g. Shawn will prepare FERPA presentation and Sherrie will prepare Customer Service in Financial Aid presentation.
h. Other than the site there are 23 available call-ins for Bruce’s Webinar. In the past, there hasn’t been more than six or seven call-ins so this shouldn’t be an issue.

i. Sherrie will send the following information to Troy to send out to registrants prior to training: registration information, training topics and location.

j. Normally PacFAA’s Fall Training is tied into WASFAA’s Fall Training, but the training material will not be available until November. If we want WASFAA to come out to do an additional training, we would have to pay for it.

8. Conference
a. Tentative dates for 2018 PacFAA conference are Tuesday, March 27 to Wednesday, March 28, 2018.

b. Pacific Islander training ideas?
   i. Historically, we used to hold a pre-conference session for Pacific Islander members.
   ii. Shawn proposes a Q&A session for the Pacific Islander members after the conference ends on Wednesday afternoon.
   iii. Frank will check with Ala Moana for extra room availability for Pacific Islander Q&A on Wednesday afternoon.

She will work with them and the NASFAA National Chair to get the ball rolling on training topics. Before doing so, will send out an email to the Executive Council to get suggestions on training topics. Will send out contact information to Conference Program Chairs (Jeff Anderson and Raquel Fulton) to coordinate training topics.

d. Sherrie will request Troy to send out a “Save the Date” for the conference.

e. Possible Executive Council meeting before or during conference? Concern is that it is a busy time to try and coordinate a meeting.

f. Conference Program Chairs - Jeff Anderson and Raquel Fulton
   i. Shawn mentioned that all of Bruces’ training topics now need to be vetted through the Department of Ed, so conference program chairs should be aware of this and work closely with Sherrie and Bruce to solidify training topics (by September).

   iii. Need bios and info on presenters so that moderators can be set up.

h. Bizbed Program
   i. Not sure if can use for PacFAA hotel room reservations just yet until we get the Ala Moana contract finalized. If Ala Moana contract comes back as a more expensive rate than the Bizbed Program, should go back to Ala Moana to ask why Bizbed Program rates are cheaper.

        program and/or have it get lost in the University of Hawai`i System.
   iv. Gus can generate a MOU between UH West Oahu and PacFAA so that we
       establish safe use of the information, and assure it is used solely for PacFAA
       business and not institutional gain.
   v. UH West Oahu’s current contract with Signal Vine allows use of the program
      through March 2019.

10. Policies & Procedures Update
    a. Important for all EC members to read and review Policies & Procedures draft that was
