What is a forum?

- A forum is an online discussion site or place where members can post messages and others can view and reply to these messages.
- A discussion forum can be an effective engagement tool. It can build our online community by providing a place for our community members to congregate, collaborate, discuss, and share their ideas. It offers member benefits and can also provide our organization with insight that we can use to better serve our constituents.
Overview

- Forum is viewable only by PacFAA members.
- Subscribing to the forum or a forum topic.
- Adjusting frequency of email notifications.
- Starting a new forum topic.
- Replying to a forum topic.
